invitation to the digital network meeting between CHAT-Partners

Dear CHAT-partners,
CHAT between WORLDS and Education meets Development (BtE) have been around for 20 years now! To mark this anniversary, we are organizing an online networking meeting on **the topic of "Including our CHAT partners in the CHAT between WORLDS program" on November 21st, 2023 from 3.00 p.m. to 6.00 p.m. (CET).**

Based on practical examples, we will share experiences and perspectives, and discuss the challenges of CdW. The aim is to bring CHAT-partners from different regions of the world together and to create a space for exchange in which they can learn from each other and develop solutions to existing challenges.

The event will be held in English via Zoom.

We kindly invite you on Tuesday, November 21st, 2023, from 3:00 p.m. to 6:00 p.m. (CET).
